5th Avenue of Service

Representatives at the 2010 Council on Legislation approved an enactment on 28 April to add a fifth Avenue of Service: New Generations.

After adopting an amendment to change the name from Youth Service, as originally proposed, to New Generations, the Council narrowly supported the addition to article 5 of the Standard Rotary Club Constitution. The 263-250 vote was received by surprised gasps and applause after a short debate. New Generations joins Club Service, Vocational Service, Community Service, and International Service as the foundation of club activity. The Avenue of New Generations recognizes the positive change implemented by youth and young adults involved in leadership development activities, community and international service projects, and exchange programs that enrich and foster world peace and cultural understanding.
