National Membership Conference –
Canberra – July 2008
Rotary 2020 – The Next Generation

At the meeting will be the first of the three outlines from the Conference last weekend. Well worth a look!

1. Regional Membership Trends

The Bugle Top Ten

Name: John Ruyg

1. What school did you go to in high school and what is your favourite memory of school?
St. Patricks College, Ballarat. Finishing HSC in 1978! Otherwise, school was pretty forgettable.
2. What family do you have?
Sharon - Cristin (19), currently at Deakin Uni - Emma at Loreto (15). I think there may be a goldfish in our outside pond, but he hasn't been sighted for a few years amongst the plant matter.
3. What do you like about living in Ballarat?
Like the weather, the history and the sense of community. All it needs is a good microbrewery!
4. What was your first job and what did you do?
Stocking shelves at what was then Stockade Stores, cnr Mair and Armstrong streets. I still recall a word of advice from the owner – if you are not busy, at least look like you are. I've used this advice throughout my public service career!
5. What is your occupation now?
Human Resource Manager with South West Region of Department of Sustainability and Environment – at least until the next departmental restructure.
6. What have you achieved that you are proud of?
My achievements are all yet to come!
7. What is your Passion?
Very interested in “world music”, politics, hand crafted beers and following the Ballarat Red Devils soccer team in State League 2.
8. Why did you join Rotary in the first place?
To contribute to service projects locally and internationally. Wendouree Breakfast also seemed like an enjoyable and inclusive group of committed Rotarians. And it continues to be!
9. What have you learnt from being in Rotary?
It's a good chance to develop leadership and personal development skills. There's a lot of work to do, but 1.2 million members worldwide give a reasonable base to start from.
10. Where in the world would you like to have a holiday?
Anywhere in Africa where there is a strong traditional musical culture – Mali, Senegal, sub-Saharan areas etc. Some great festivals in the desert with nomadic Toureg and Wodaabe people. Bands like Tinariwen and Etran Finatawa are current favourites. Some festivals require a lengthy camel ride to get there!

This week's mystery word is BEER!
