Photo Competition judging next week – Is your entry in?

May is Rotary Bowel Scan Month

At District Assembly on Sunday I was surprised to learn that it is a hands on project run by Rotary volunteers. I thought Rotary was promoter only in the interest of public health. All samples go to Geelong where volunteers prepare them for testing and medical Rotarians complete the test. Of the 700 samples so far tested this month 7 positives have been detected. These will be followed by a Rotarian Doctor. Kits are available from UFS pharmacies for \$6. Let me know if you want me to buy and bring to the meeting Wednesday for you and your family members.

Membership – The life blood of clubs. On May 28th the Membership Committee will conduct a new members night. These evenings are designed to give recently inducted members an opportunity to meet others in a social setting and learn about the workings and scope of Rotary. Question time always proves to be the popular component.

Sponsors and recent members are asked to join us for an hour or so with nibbles and drinks.

To add value to the night you are asked to invite potential members. This is an initiative used by other clubs that proves successful in recruitment for them. Have you been considering a potential Rotarian but haven’t acted – **NOW IS THE TIME – DON’T HOLD BACK WHO DO YOU KNOW.**

Fundraising - Garage Sale – May 30th
14 Stirling Drive, Lake Gardens
8am – 4pm

Members are asked to contribute all unwanted goods to this effort – please price your items before delivery. Delivery of small items can commence at this weeks meeting. Sue and Judy’s cars will be the carriers. Larger items will need to be delivered to Sue’s garage – arrange time directly with Sue.

All members are asked to assist on the rosters that will be available on Wednesday. Help will be required for the transport of goods, set up on Friday night from 7.30pm, sales personal, sausage sizzlers, and pack and clear staff.

A sausage sizzle will be conducted in conjunction with the sale – organization is in the capable hands of Vicki, Kay and Jan.

We have options for left over goods – return to donors, donate to charity, store for a later sale. Di has offered her shed for this purpose.

What do you have tucked away that you no longer need? Let it go – assist the work of Rotary.

Oh! Bother I have been trying to insert some funnies and a promotion supplied by Dianne but I cannot resize them to fit and it has got too hard. Please read them as attachments.

Fines for Stephen – Would every member please supply Stephen with fines or suitable jokes or ideas.

Do it now you must have dirt on someone.
