Attached is the second of a 3 part series from the conference entitle **Setting New Model for Rotary**

Well worth a look (and a smaller file)

Welcome back David!

The Bugle Top Ten

Name: Brian Harrison

1. What school did you go to in high school and what is your favourite memory of school?
Sebas Tech. Going home at the end of each day. Trap shooting for sport in form 4.
2. What family do you have?
Wife Maree, Children Caitlin (15 year 10), Riley (13 in year 7). Also share our home with two GAP greyhounds and three chooks.
3. What do you like about living in Ballarat?
It still has a sense of community ? As a local you know where to get things ?
4. What was your first job and what did you do?
After leaving school my first real job was with Victoria Police as a cadet (akin to an apprenticeship but with more holidays). Prior to leaving school I worked as a lackey at SSW supermarket in Sebastopol. (Yes we packed groceries in brown paper bags and the store closed at 12 midday on Saturday)
5. What is your occupation now?
Funeral Director
6. What have you achieved that you are proud of?
Maree and I opened our own funeral business after much turmoil
7. What is your Passion?
Gardening and I secretly enjoy drag racing.
8. Why did you join Rotary in the first place?
After a number of years participating in Apex I thought that it would be good to join Rotary. I was fortunate enough to be welcomed into the Wendouree Breakfast family. I think we all have a moral obligation to participate in an altruistic basis.
9. What have you learnt from being in Rotary?
It's an enormous organisation that I shouldn't take too seriously.
10. Where in the world would you like to have a holiday?
Zanzibar.

This week's mystery word is Python
