## From the Presidents Desk

As well as aiming for an above average member recruitment and induction target, I along with our Directors have set a monitory target that will allow us to support a number of charities and organisations in Australia and overseas. Watch for coming events as our varied program is set to begin apace.

Our Social Committee, or Family of Rotary Committee are planning, after the movie night on August 21st, a mystery dinner - is that mysterious food, mysterious venue or mysterious guests - we will find the answers in September. Also planned is a day at the races, a picnic, a christmas function, a wine tour and a car trial. Judy will give us details as each rolls around.

In the fund raising area we will have a loyalty fuel card - 1cent per litre will be donated by United. Get ready to recruit family and friends to earn charity dollars for the Polio Plus program. The board again voted that we participate in the Rotary Car Raffle - watch out for details, sales open on October 4th. We aim to be ready to start sales immediately after that date. Dayle will soon announce the date for the annual wine auction - watch out for wine bargains in your favourite wine shop. And, there is more - get ready for diversity in 2009- new exciting ideas are being hatched.

Community service projects will include reducing our carbon footprint with plantings at the Nerrina Wetlands, we'll inspire blood bank donations with our annual Blood Bank Challenge. Get set to part with your blood, we are current champions, we'll go for gold again (or should we share the glory). November 22nd-23rd will see us laughing and chatting our way around the oval at the Relay for Life. I recall talk about us all staying up all night, bonding in the wee small hours as we struggle to stay civil, I'm can be uncivil in the wee small hours. What does the committee have in store for us? This event has a feel like none other - from across all sectors of our community we are bought together in a fight to control the spread of the big C word. 2009 will bring us more opportunities for more community service, we'll bring them to you as they evolve.

This is Rotary in action and we are Rotarians.  
Have a great week - think membership.

June

### NEW MEMBERS

Last week I asked you to think about getting new members (this being Membership month and all).

So, in the past week, have you met someone from the Accommodation, Accounting, Advertising, Aged Care Services, Air Conditioning, Architectural, Aviation, Alternative Healthcare, Aluminium Fabricating, Ambulance, Amusements, Animal Welfare, Antiques, Appliance Services, Art Gallery, Auctioneering, Audio Visual, Auto Electrical or Automotive Upholstery areas who might be suitable members?

Give it all you've got!

Cheers,

Trevor Ryan

### MONEY DUE WEDNESDAY!

**Theatre Night Thursday 21st August "Mamma Mia"**

Could all those who have booked for this please pay (\$20.00 per head) Judy Barnes on Wednesday. If you would like to meet for a meal before the film, let Judy know. Meeting time at the Regent Theatre, if not dining before, will be at 8.15 pm, the film commences at 8.45 pm.

Thanks,

Judy
