Banerjee is choice for 2011-12 RI president

Kalyan Banerjee, a member of the Rotary Club of Vapi, Gujarat, India, since 1972, is the selection of the Nominating Committee for President of Rotary International in 2011-12. Banerjee will become the president-nominee on 1 October if there are no challenging candidates.

Banerjee said he would like to see Rotary "blossom from being the world's most recognized service organization to being the most important NGO [nongovernmental organization] in the world.

"Rotary, it is said, has the strength of a government and the tenderness of a parent," he added.

Banerjee is a director of United Phosphorus Limited, the largest agrochemical manufacturer in India, and the chair of United Phosphorus (Bangladesh) Limited. He is a member of the Indian Institute of Chemical Engineers and the American Chemical Society, a past president of Vapi Industries Association, and former chair of the Gujarat chapter of the Confederation of Indian Industry. He earned a degree in chemical engineering from the Indian Institute of Technology, Kharagpur, in 1964.

Banerjee has served Rotary as a director, Rotary Foundation trustee, committee and task force chair, International Assembly group discussion leader, president's representative, and district governor.

The chair of the Southeast Asia Regional PolioPlus Committee, Banerjee has served as a member of the International PolioPlus Committee for many years and has attended international meetings with the World Health Organization and UNICEF in that capacity.

Banerjee is a Major Donor, Benefactor, and Bequest Society member, and has been awarded the Foundation's Citation for Meritorious Service and its Distinguished Service Award.

Banerjee also serves as a trustee of Rotary club-sponsored trusts that support many educational and community development programs in India, including a 250-bed hospital.

He noted that Rotary's strengths include its ability to attract leaders from different vocations around the world, as well as its role in promoting peace. "Rotary needs to become the preferred organization for today's generation to join and participate in, to make the world better and safer and happier," he said.

MEMBERSHIP – REACH ONE, KEEP ONE!

The RI Board of Directors adopted a new membership slogan, "Each Rotarian: Reach One, Keep One," at its June meeting. The slogan emphasizes the need for Rotarians to focus on both recruitment and retention in their membership growth efforts.

"Membership development is each Rotarian's responsibility," said Paul Netzel, a member of RI's Membership Development and Retention Committee and a past RI director. "'Reach One' reminds us that because Rotary membership is by invitation, it's essential that each Rotarian reaches out and invites someone to join," added Netzel, a member of the Rotary Club of Los Angeles.

"'Keep One' reminds us that it's not sufficient to simply sponsor someone into Rotary; we must also see that new members become active and involved Rotarians. We know this is an essential element in membership retention." The new slogan complements the Board's long-term membership strategy, which was also adopted at the June meeting.
