W = weekly donations

RT = running total

 = weekly leader

About the Challenge

The Blood Donation Challenge is a Rotary Community Service initiative designed to encourage existing and new blood donors.

This year the challenge ends on the 11th December and it is hoped that Rotarians will support this venture by finding new donors to join the Challenge.

The Challenge still aims to capitalise on the friendly rivalry that exists between the Group 8 Rotary Clubs within the Ballarat area.

Rotary Club Members are now Challenged to involve their circle of friends, family and work colleagues to also donate blood in their Club's name.

A perpetual shield will be awarded to the winning Club. Listed below are those Clubs that have previously won the Blood Donation Challenge:

- 2002 - Rotary Club of Ballarat
- 2003 - Rotary Club of Ballarat East
- 2004 - Rotary Club of Ballarat East
- 2005 - Rotary Club of Ballarat East
- 2006 - Rotary Club of Wendouree Breakfast
- 2007 - Rotary Club of Wendouree Breakfast
- 2008 - Rotary Club of Wendouree Breakfast

The benefits of blood donation are obvious, so get involved either directly, or through your friends, family and work colleagues.
