The Bugle Top Ten Andrew Rowan

1. What school did you go to in high school and what is your favourite memory of school?
Ballarat East High School.....My favourite memory is leaving as soon as I could!!
2. What family do you have?
Married to Jennifer, 2 daughters Alex 21, Georgia 19, 2 Stepsons Carl 22, Zac 18, 1 Grandson Jed 2 – 1 dog Maggie 8.....that's all I'm disclosing or that I know about!!
3. What do you like about living in Ballarat?
That we are close to lot's of places but out of the city, plus we are moving ahead as a city.
4. What was your first job and what did you do?
Started in my parents business as an apprentice Auto Electrician at age 15, left when I was 25 (hate working on cars).
5. What is your occupation now?
Financial Planner for the past 18 years.
6. What have you achieved that you are proud of?
Family, & business.
7. What is your Passion?
Fee for Service Financial Planning.
8. Why did you join Rotary in the first place?
At my grandfathers funeral many years ago the comment was made who in the family would carry on his community work.....I decided at that point it would be me. Also someone I knew (and still know) when I was in my teenage years and whom I greatly respect is a Rotarian.
9. What have you leant from being in Rotary?
That it's much bigger than I ever imagined.
10. Where in the world would you like to have a holiday?
Spain, Africa, Italy, or France.....but happy to settle for a couple of d days down the beach house at apollo bay!!

Wednesday September 10 Breakfast meeting

On the 10 September we will be having our breakfast meeting at the Mechanics Institute, Sturt Street, Ballarat. This will be a great opportunity to tour one of the most outstanding architectural buildings in Ballarat and learn what happens there.

The tour will take approximately 40 minutes, so we will be meeting for breakfast at 7.00 am sharp. The breakfast will be held in the open space on the 1st floor and will be catered for with tea and coffee. The normal \$15.00 price will apply.

To allow for catering, I would really appreciate you letting me know ASAP if you will be attending.

Thanks.

Kay Macaulay

WANTED:

Contributions for the bulletin. Share your success stories in your business, rotary and family life. Please send your happy stories to barry@conversationsthegame.com.au
Only cost is to be prepared for the fines master!

From the Presidents Desk

The generosity of the members of our Rotary continues to astound me – thank you all as you continue to support my many requests for assistance. October and November will be busy months as we embark on major fund raising and service projects.

The atmosphere at last weeks meeting was electrifying, good attendance makes for a good meeting. Great effort everyone.

August, Membership Month has concluded and September New Generations Month is commencing. New Generations Month is, I believe, an extension of Membership Month as we seek to revitalize our membership with the next generation committed to community service. However my interpretation is not quite accurate. Our District Governor Ted Gaffney wrote that this is the month of renewal and freshness; it is the opportunity for all members to become more attuned with our youth. It is more than that, for this is the opportunity to help our young people by making them aware of Rotary and the programs that are available for them, all ages from 14 to 30 years. This is their formative years and we might help to gently guide the thought processes of our future leaders through their involvement in Rotary Youth Programs.

Polio free world update – Cases of polio have dropped by 99%, 200 countries are polio free. The virus has been pushed back to just four countries. Five million children have been saved from paralysis because of a Rotary vision. Well done you.

Our recently inducted members Mark and David are acknowledged in the DG's newsletter.

This week is the second week of three dedicated to the International President's encouragement to support the RI project 'Preserve Planet Earth – Heritage'. Last week we looked at art deco architecture, this week Di Gow will take on a pictorial tour of Ballarat's former corner stores. Next week we tour the Mechanics Institute. This information will culminate in a joint service project with the National Trust- Ballarat Branch in 2009.

Remember, next week September 10th is a 7am start at the Mechanics Institute in Sturt Street – please advise Kay of your attendance or non-attendance for catering. We must pay for the number of breakfasts we order – not how many turn up on the morning.

Check out coming events – event dates are evolving weekly.

June

The Four Way Test

The Four Way Test
of the things we
think, say or do:

Is it the truth?

Is it Fair to all
concerned?

Will it build goodwill
& better friendships?

Will it be beneficial
to all concerned.?

Did you know...

The **Rotary Club of Wendouree Breakfast** was formed on 21 April 1990.

The average age of members is around 50 years, making it one of the youngest clubs in the district.

There around 40 members in the club, with men and women represented. And 'Fair' is this week's mystery word

The Rotary Club of Wendouree Breakfast is a proud member club of Rotary International and part of District 9780. Like all Rotary Clubs, it is managed by a voluntary board of management. In 2008 -2009 office bearers include: President June Driscoll, Secretary Jane Auchettl, Treasurer Brian Harrison and President -Elect Kath Venters.
